## IMPORTANT!!

All boat slip assignees must provide up to date contact info (phone, email, mailing address) along with the annual requirement to provide valid MC numbers and Registration to retain their assigned boat slip (in addition to dues paid). This applies to ALL slips. If you have a slip and want to keep it, send in your info ASAP, before March 1 2024!

Full boat slip rules are posted on the website

### Outlot Reminders:

- There is no storage of any personal property on outlots. This applies to summertime (paddle boards, kayaks, etc.) as well as winter (docks, hoists, etc.)
- Outlot usage request form required when contractors will be on our shared property
- No Parking on Outlots overnight

All docks/hoists etc. need to be removed and cleared from outlot by Thanksgiving.

This would also be a good time to perform some maintenance on your docks. All docks on 7 Harbors outlots must be kept in safe condition or you forfeit the slip assignment.

**Fall neighborhood cleanup coming in November!**

**Grab your rakes and yard bags - we will target a few of our shared spaces on White Lake and Duck Lake.**

As winter approaches - our road maintenance contractor will again place sand/salt bins in strategic locations.

Please note that these are self serve! If you see icy conditions, please sling some sand for the next person!

Thank you all - it takes a village!
