Boat Slip Assignees

All docks/hoists etc. need to be removed and cleared from outlot by Thanksgiving.

This would also be a good time to perform some maintenance on your docks. All docks on 7 Harbors outlots must be kept in safe condition or you forfeit the slip assignment.

As winter approaches - our road maintenance contractor will again place sand/salt bins in strategic locations.

Please note that these are self serve! If you see icy conditions, please sling some sand for the next person!

**7 HARBORS GARBAGE
COLLECTION NOTICE!!**

A recent pamphlet regarding New Garbage Collection states that there are weight and "content" restrictions due to going from a fork lift type mechanism to hand lifting by collector. As a result any "guest" dog poop bags left in a neighbor's pail is not being collected.

Please take your "guest" bag with you as you continue your walk.

Outlot Reminders:

- There is no storage of any personal property on outlots. This applies to summertime (paddle boards, kayaks, etc.) as well as winter (docks, hoists, etc.)
- Outlot usage request form required when contractors will be on our shared property
- No Parking on Outlots overnight
